

INTERNATIONAL BASKETBALL CAMP TEAM 97 – NIDA 2024

Expect a lot and You'll have a better opportunity to get it

FUNDAMENTAL DEVELOPMENT PROGRAM FOR BOYS AND GIRLS

This year, 3 individual sessions will be organized. The first session will be for our youngest children, the second session will be for middle age children and the third session will be for our oldest ones. During each session, national basketball teams for U12, U13, U14, U15 and U16 will be formed.

CAMP SESSIONS

- 30th June – 06th July (first session)
- 07th July – 13th July (second session)
- 14th July – 20th July (third session)

DEVELOPING YOUNG PLAYERS

The camp will be held in the Lithuanian pearl - Nida and is limited to 50 participants per session. The coaching staff includes highly skilled European coaches.

The camp facilities include an indoor FIBA approved basketball court with a wooden floor, an outdoor basketball court, two outdoor courts for football and volleyball, and the option for endurance training on the beach or in the forest. Professional staff will be on hand to prevent and handle any accidents that may occur during the camp.

Participants will be accommodated in rooms with 7-8 beds at the Neringa gymnasium (Kuverto str. 12, Nida), while coaches will stay at hotel "Nerija" (Pamario str. 13, Nida).

A first aid room will also be available at the Neringa gymnasium.

OUR MISSION

To provide high-quality instruction that helps boys and girls become the best fundamentally sound basketball players they can be. We also strive to develop GREAT LEADERS on and off the court.

Our coaching staff is highly skilled in “effectively communicating” with players.

- We create a positive, supportive, and motivating environment for all participants.
- To ensure that every player receives proper attention and instruction, we maintain a ratio of 1 coach for every 8 players. Our camps and clinics specialize in skills-based learning and focus on developing players' skills through drill repetition.
- We also offer 1 on 1, 2 on 2, 3 on 3, 4 on 4, and 5 on 5 scrimmages to practice game-like situations.
- In addition to improving players' skills on the court, we also aim to train them to be leaders through our motivational training program.

We are excited to provide a great experience for your child at the Nida Camp.
